

GUJARATI SAMAJ OF NSW INC

Present scenario affecting students & families from Gujarat India

The students and families from Indian origin are recently going through a very difficult and stressful time. The recent events have led to traumatic experience both for the students, families and their relatives in homeland. Gujarati Samaj of NSW (Sydney) understands that in this time Indian students (especially from Gujarat) need help, guidance and support.

This communication is to update all concerned that Gujarati Samaj of NSW is actively involved with the community, especially the students.

Actions being taken by Gujarati Samaj

- Samaj has been actively participating in various forums and meetings
- Samaj representatives have been in a constant dialogue with local councils & council members, police, other community leaders.
- Samaj is having regular interactions with Consul General of India and supports the initiatives from the Consul General office.
- Meeting with students and community people and developing awareness

Action Plan

- Maintain regular contacts with Consul General's office, Gujarat Govt. and other agencies
- Update useful information on Gujarati Samaj website
- Increase communication with students and community groups
- Increase communication in both print and electronic media

Dos and don't

- Pl observe Laws of the Land; Pl do not get involve into any illegal act
- Pl report all incidents to the Police. If case any problem, pl contact CG office.
- Pl ensure to obtain complaint reference number from the Police
- Pl avoid developing or expressing any emotions; think & act with a cool head
- Pl be positive and confident

If require more information and support, Pl contact following Samaj representatives:
